---

6. Typography

Primary Font

Recommended Microsoft 365 fonts.

- Aptos
- Calibri (legacy)
- Segoe UI
- Cascadia Code

BYU-Idaho Approved Fonts: https://www.byui.edu/branding/fonts-typefaces

- **News Gothic**: BYU-Idaho uses this font often in bold for headlines. News Gothic also works well for subheadings and small captions.
- **Minion:** BYU-Idaho uses this font primarily for titles and body text in corporate identity, brochures and flyers, etc.
- **Bickham Script**: BYU-Idaho uses this font sparingly, mostly for formal or official designs such as inaugurations, devotionals, and commencements.
